

APPLE INC. - FORM 10-K EXCERPT (FISCAL 2025)

FINANCIAL PERFORMANCE SUMMARY:

Total net sales for the fiscal year 2025 were \$390.5 billion, representing a 4% increase year-over-year.

Services revenue reached a new all-time high of \$85.2 billion, driven by strong performance in App Store subscriptions and Apple Cloud services.

Gross margin for the year was 44.5%, an improvement from 43.3% in the previous year, primarily due to a favorable product mix.

RISK FACTORS:

The Company's business is highly competitive. If the company fails to successfully introduce new products or services, revenue may decline.

Supply chain disruptions in Southeast Asia remain a critical risk to hardware manufacturing timelines.
